DECLARATION RE: ARTICLE 14

22 September 2006

Pursuant to paragraph 1 of article 14 of the Convention, the Principality of Andorra declares that it recognizes the competence of the Committee on the Elimination of Racial Discrimination to receive and consider communications from individuals or groups of individuals claiming to be victims of a violation by the Principality of Andorra of any of the rights set forth in the Convention. However, this procedure applies only insofar as the Committee has established that the same matter is not being examined, or has not been examined by another international body of investigation or settlement.
