¹ On 27 October 2003, the Human Rights Committee considered the situation of human rights in the absence of a report. In its provisional concluding observations, the Committee requested that a complete initial report be submitted by 1 August 2004, rather than submitting any specific information as follow-up. The matter has now been referred to the United Nations High

Commissioner for Human Rights for appropriate action (see A/64/40, vol. I, page 173).
