367. The Committee expresses its dissatisfaction with the failure of the State party to submit information on, and the lack of responses to questions pertaining to, the status of implementation of the Convention in the Netherlands Antilles. Consequently, it requests the State party, in conformity with article 18, paragraph 1 (b), of the Convention, to submit a follow-up report in January 2008 for consideration by the Committee later in 2008 pertaining to the implementation of the Convention in the Netherlands Antilles. The follow-up report should follow the Committee's guidelines for the preparation of periodic reports. The follow-up report would not replace the fifth periodic report of the State party, which is due in August 2008 in accordance with article 18 of the Convention.
