**Spain**, 3 December 2009

With regard to the reservation made by the Republic of Korea upon ratification:

The Government of the Kingdom of Spain has examined the reservation formulated by the Republic of Korea when it ratified the Convention on the Rights of Persons with Disabilities with regard to article 25 (e) of this international treaty.

The Government of the Kingdom of Spain considers that the Republic of Korea has formulated a reservation which does not permit clear determination as to the extent to which the Republic of Korea has accepted the obligations under article 25(e) of the Convention, which raises doubts as to the commitment of the Republic of Korea to the object and purpose of the Convention in relation to the non-discriminatory, fair and reasonable provision of life insurance.

The Government of the Kingdom of Spain recalls that, under article 46.1 of the Convention, reservations incompatible with the object and purpose of the Convention are not acceptable.

Consequently, Spain objects to the reservation formulated by the Republic of Korea in relation to article 25(e) of the Convention on the Rights of Persons with Disabilities.

This objection shall not preclude the entry into force of the Convention between the Kingdom of Spain and the Republic of Korea.
