Item 3

Report of the Chairperson on activities undertaken between the thirty-eighth and thirty-ninth sessions of the Committee

Under this item, the Chairperson will brief the Committee on activities and events since the previous session that had a bearing on the Committee's work.

Item 4

Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women

Article 18 of the Convention provides that States parties to the Convention shall undertake to submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and other progress made in that respect. Reports are to be submitted within one year after the entry into force of the Convention for the State concerned and thereafter at least every four years and further, whenever the Committee requests.

Based on General Assembly resolution 60/230, at its thirty-ninth session the Committee will meet in parallel chambers to consider periodic reports of States parties. At its thirty-seventh session the Committee decided to invite 14 States parties to present their periodic reports and one State party to present its initial report. All 15 States parties agreed to that request.

At its thirty-seventh session, the Committee agreed on the need for basic and consistent criteria for determining membership in chambers while recognizing the need for some flexibility to make adjustments in the composition of the two chambers, as may be necessary. These criteria include fair geographical balance of experts between the two chambers; length of experience of experts on the Committee; assignment of experts who are nationals of a reporting State to the chamber that is not considering the report from that State party; assignment of office holders of the Committee to each chamber; and geographical balance, to the extent possible, of States whose reports are to be taken up in each chamber. Taking these criteria into account, the Committee agreed to decide on the membership in chambers based on a proposal to be submitted by its Bureau for action by the Committee in advance of each session.

Also at its thirty-seventh session, the Committee established the composition of the parallel chambers for the thirty-ninth session (see annex II).

At its thirty-ninth session, the Committee will have before it the following reports: the initial report of Cook Islands (CEDAW/C/COK/1); the combined third and

fourth periodic report of Belize (CEDAW/C/BLZ/3 -4); the sixth periodic report of Brazil (CEDAW/C/BRA/6); the fourth periodic report of Estonia (CEDAW/C/EST/4); the combined fourth, fifth and sixth periodic report of Guinea (CEDAW/C/GIN/4 -6); the combined fourth, fifth and sixth periodic report of Honduras (CEDAW/C/HON/4-6); the sixth periodic report of Hungary (CEDAW/C/HUN/6); the combined fourth and fifth periodic report of Indonesia (CEDAW/C/IDN/4 -5); the combined third and fourth periodic report of Jordan (CEDAW/C/JOR/3 -4); the combined fifth and sixth periodic report of Kenya (CEDAW/C/KEN/ 6); the second and third periodic reports of Liechtenstein (CEDAW/C/LIE/2 and CEDAW/C/LIE/3); the sixth periodic report of New Zealand (CEDAW/C/NZL/6); the seventh periodic report of Norway (CEDAW/C/NOR/7); the fifth and sixth periodic reports of the Republic of Korea (CEDAW/C/KOR/5 and CEDAW/C/KOR/6) and the third periodic report of Singapore (CEDAW/C/SGP/3).

Rule 51 of the rules of procedure provides that representatives of a State party shall be present at meetings of the Committee when the report of that State is being examined and shall participate in discussions and answer questions concerning the report. The Secretary-General has informed the States parties concerned of the tentative dates on which their reports are scheduled for consideration by the Committee at its thirty-sixth session.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State party under article 18 of the Convention. The Secretary-General also provides the Committee with a list of reports submitted by States parties to the Convention, as well as a list of reports submitted by States parties to the Convention that have not yet been considered by the Committee.

At its thirty-ninth session, the Committee will have before it the report of the Secretary-General on the status of submission of reports by States parties under article 18 of the Convention (CEDAW/C/2007/III/2).

A pre-session working group of the Committee is convened before each session to prepare a list of issues and questions relating to reports for transmission to the States parties before the meetings at which their reports are to be considered. The pre-session working group for the thirty-ninth session met from 5 to 9 February 2007. The report of the pre-session working group and the responses of States parties to the lists of issues and questions drawn up by the pre-session working group will be before the Committee.
