Item 3

Report of the Chairperson on activities undertaken between the fortieth and forty-first sessions of the Committee

Under this item, the Chairperson will brief the Committee on activities and events occurring since the previous session that had a bearing on the Committee's work.

Item 4

Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women

Article 18 of the Convention provides that States parties to the Convention shall undertake to submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and other progress made in that respect. Reports are to be submitted within one year of entry into force of the Convention for the State concerned and thereafter at least every four years and further, whenever the Committee requests.

At its thirty-ninth session, the Committee decided to invite eight States parties to present their reports. Those States parties agreed to that request.

At its forty-first session, the Committee will have before it the following reports: the fifth and sixth periodic reports of Finland (CEDAW/C/FIN/5 and CEDAW/C/FIN/6); the fifth and sixth periodic reports of Iceland (CEDAW/C/ICE/5 and CEDAW/C/ICE/6); the third and fourth periodic reports of Lithuania (CEDAW/C/LTU/3 and CEDAW/C/LTU/4); the sixth periodic report of Nigeria (CEDAW/C/NGA/6); the combined second, third and fourth periodic report of Slovakia (CEDAW/C/SVK/4); the fifth and sixth periodic reports of the United Kingdom of Great Britain and Northern Ireland (CEDAW/C/UK/5 and CEDAW/C/UK/6); the combined fourth, fifth and sixth periodic report of the United Republic of Tanzania (CEDAW/C/TZA/6) and the sixth periodic report of Yemen (CEDAW/C/YEM/6).

Rule 51 of the rules of procedure provides that representatives of a State party shall be present at meetings of the Committee when the report of that State is being examined and shall participate in discussions and answer questions concerning the report. The Secretary-General has informed the States parties concerned of the

tentative dates on which their reports are scheduled for consideration by the Committee.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State party under article 18 of the Convention. The Secretary-General also provides the Committee with a list of reports submitted by States parties to the Convention, as well as a list of reports submitted by States parties to the Convention that have not yet been considered by the Committee.

At its forty-first session, the Committee will have before it the report of the Secretary-General on the status of submission of reports by States parties under article 18 of the Convention (CEDAW/C/2008/II/2).

A pre-session working group of the Committee is convened before each session to prepare a list of issues and questions relating to reports for transmission to the States parties before the meetings at which their reports are to be considered. The pre-session working group for the forty-first session met from 16 to 20 July 2007. The report of the pre-session working group and the responses of States parties to the lists of issues and questions drawn up by the pre-session working group will be before the Committee.
