1. Please provide information on the competent governmental departments and bodies responsible for the implementation of the Optional Protocol and their coordination with regional and local authorities as well as with civil society. Please also indicate whether there is any mechanism available for monitoring and periodically evaluating its implementation, such as the National Human Rights Centre.
2. Please clarify the content of the rules of “military evidence”, referred to in paragraph 20 of the State party’s report, which apply to Moldovan male citizens that having reached 16 years old should register for conscription at their respective local territorial military office.
3. Please provide detailed information as to whether the Republic of Moldova assumes extraterritorial jurisdiction in case of forced recruitment or involvement in hostilities of a person under 18 if committed outside Moldova, by or against a Moldovan.
4. Please provide disaggregated data (e.g., by sex, age, region, rural/urban areas) on the students attending military schools operated by or under the control of the

6. Please inform the Committee whether national legislation prohibits the sale of arms when the final destination is a country where children are known to be, or may potentially be, recruited or used in hostilities.
