 - (h) Persons under 18 in diversion programmes; and
 - (i) Persons under 18 who have served their sentence, were released and are involved in social integration programmes.
9. Please indicate why data for the territory of the Autonomous Province of Vojvodina are, in some instances, excluded from the information provided in the report.

B. General Measures of Implementation

1. Please provide additional information on measures taken to improve the system for the collection of disaggregated data on children and on the initial experience with the ChildInfo system and the Devinfo database referred to in the report.
2. Please indicate whether the existing domestic legislation is believed to be in full conformity with the provisions of the Convention or whether there are plans for the examination of the compatibility of national legislation with the Convention and, if appropriate, legislative amendments or the adoption of new laws or regulations to further the implementation of rights enshrined in the Convention.
3. Please provide information on cases, if any, where the Convention has been directly invoked in domestic courts, and if so, please provide examples of such cases.
4. The report draws attention to the establishment of the National Council for the Rights of the Child and notes that that Council prepared a National Action Plan for Children in 2004. Please provide information on the Council's mandate, including its role in coordinating and monitoring the implementation of the Convention, and on the financial and human resources allocated to it.
5. Please provide information on the implementation status of the National Plan of Action for children adopted in 2004. Please indicate whether the Action Plan takes into account the objectives and goals of the outcome document entitled "A World Fit for Children" of the General Assembly special session on children held in 2002.
6. Please provide information on the funding allocated and the measures taken to implement the Action Plan for Roma Education Improvement adopted in 2005.
7. Please provide information on the resources made available to the Ombudsman's deputy for the rights of the child, and to the municipal Ombudsmen for children referred to in the report. Please indicate whether the institution of the Ombudsman has helped to resolve disputes and settle complaints relating to children's rights. Please also provide information on the status of the draft law on a special ombudsman for children.

8. Please provide updated information on efforts made to provide training on the provisions of the Convention and human rights generally to children, parents, teachers, social workers and other professionals working with and for children.

9. Please provide information on the Government's cooperation with non-governmental organizations in efforts to implement the Convention. Please also indicate whether such organizations have had a role in the preparation of the State party report.

10. The report states that a General Protocol for the Protection of Children against Abuse and Neglect at both the national and the local level was adopted in 2005. Please provide information on measures taken to implement the Protocol and improve the child-care system.

11. Please indicate the issues affecting children that the State party considers to be priorities requiring the most urgent attention with regard to the implementation of the Convention.

Part II

Please provide copies of the text of the Convention on the Rights of the Child in the official languages of the State party as well as in other languages or dialects, if available. If possible, please submit these texts in electronic form.

Part III

Under this section, the State party is to briefly update the information provided in its report, insofar as relevant information has not been provided under Part I above, with regard to:

- New bills or enacted legislation and their compatibility with the Convention;
- New institutions;
- Newly implemented policies; and
- Newly implemented programmes and projects and their scope.

Part IV

The following is a preliminary list of major issues (other than those covered in Part I) that the Committee may take up during the dialogue with the State party. They do not require written answers. This list is not exhaustive, as other issues might be raised in the course of the dialogue.
