B. General measures of implementation

1. The Committee would appreciate receiving the most recent information on activities and measures to implement the recommendations contained in the Committee's previous concluding observations on the initial report of Suriname, including on the definition of the child, data collection, birth registration, and allocation of budgetary resources.
2. The Committee would appreciate receiving updated information on the State party's efforts to harmonize national legislation with the Convention.
3. The Committee would appreciate receiving updated information on the National Child Rights Bureau and the National Commission on the Rights of the Child, including information on the mandates, particularly the coordination role, and human and financial resources of these structures. Please also provide information on which ministry or Government department is responsible for coordination.
4. Please provide information on the existence and mandate of an independent monitoring mechanism, including information about whether or not it can receive complaints regarding violations of the rights of the child.
5. Please provide information on the existence and content of the National Youth Policy, including implementation measures taken. Please also provide updated information on the National Policy Plan for Children.
6. Please provide updated information on efforts made to provide training programmes on and awareness campaigns carried out on the Convention and other related issues for children, parents, teachers, social workers, and other professionals working with and for children.
7. Please indicate the issues affecting children that the State party considers to be priorities requiring the most urgent attention with regard to the implementation of the Convention.

PART II

Please provide the Committee with copies of the text of the Convention on the Rights of the Child in all official languages of the State party, as well as in other languages or dialects, when available. If possible, please submit these texts in electronic form.
