### **OBJECTIONS MADE TO STATE PARTY'S RESERVATIONS AND DECLARATIONS**

*(Unless otherwise indicated, the objections were made upon ratification, accession or succession)*

#### **Netherlands**

With regard to the reservations made by Djibouti, Indonesia, Iran (Islamic Republic of), Pakistan and the Syrian Arab Republic upon ratification:

"The Government of the Kingdom of the Netherlands considers that such reservations, which seek to limit the responsibilities of the reserving State under the Convention by invoking general principles of national law, may raise doubts as to the commitment of these States to the object and purpose of the Convention and moreover, contribute to undermining the basis of international treaty law. It is in the common interest of States that treaties to which they have chosen to become parties should be respected, as to object and purpose, by all parties. the Government of the Kingdom of the Netherlands therefore objects to these reservations.

This objection does not constitute an obstacle to the entry into force of the Convention between the Kingdom of the Netherlands and the aforementioned States."

Subsequently, the Secretary-General received, from the Government of the Netherlands, objections of the same nature as the one above with regard to reservations made by the following States on the dates indicated hereinafter:
