(Ed. Note: for the text targeted by the following objections, see the Reservations and Declarations of the State which is the subject of the objection)

26 September 2008

With regard to the reservation made by El Salvador upon signature and confirmed upon ratification

“The Government of Austria has examined the reservation to the Convention on the Rights of Persons with Disabilities and Optional Protocol thereto made by the Government of El Salvador.

According to its reservation, El Salvador envisages becoming Party to the Convention only to the extent that its provisions do not prejudice or violate the provisions of any of the precepts, principles and norms enshrined in the Constitution of the Republic of El Salvador, particularly in its enumeration of principles. In the absence of further clarification, this reservation does not clearly specify the extent of El Salvador's derogation from the provisions of the Convention. This general and vague wording of the reservation raises doubts as to the degree of commitment assumed by El Salvador in becoming a party to the Convention and is therefore incompatible with international law.

The Government of Austria objects to the reservation made by the Government of the Republic of El Salvador to the Convention on the Rights of Persons with Disabilities and Optional Protocol thereto.

This objection, however, does not preclude the entry into force, in its entirety, of the Convention between Austria and El Salvador.”

With regard to the declaration made by the Islamic Republic of Iran upon accession:

“The Government of Austria has examined the declaration made by the Government of the Islamic Republic of Iran upon its accession to the Convention on the Rights of Persons with Disabilities of 13 December 2006.

The Government of Austria considers that in aiming to exclude the application of those

provisions of the Convention which are deemed incompatible with applicable national rules, the Islamic Republic of Iran has made a reservation of general and indeterminate scope. This reservation does not clearly define for the other States Parties to the Convention the extent to which the reserving State has accepted the obligations of the Convention.

The Government of Austria therefore considers the reservation of the Islamic Republic of Iran incompatible with the object and purpose of the Convention and objects to it.

This objection shall not preclude the entry into force of the Convention between Austria and the Islamic Republic of Iran.”

With regard to the reservation made by Malaysia upon ratification:

“The Government of Austria has examined the reservation made by Malaysia upon ratification to the Convention on the Rights of Persons with Disabilities.

The Government of Austria finds that articles 15 and 18 relate to fundamental principles of the Convention and that the exclusion of the application of these articles is contrary to the object and purpose of the Convention. The Government of Austria therefore objects to this reservation.

This position, however, does not preclude the entry into force in its entirety of the Convention between Austria and Malaysia.”
